From the Director's Desk

Dear Students

Information Technology; needless to explain has become the backbone in the current scenario today. IT doesn't only alleviate the task to be done but reduces the expense to a great level. It is as vital part for the company as the other departments like finance & marketing. For this very purpose Institute of Computer Studies & Technology is successfully imparting IT education and IT enabled services through a wide network. We are introducing various short term courses & programs to achieve a common of making India IT literate.

Today IT is not the only fastest growing but is the most successful and most profitable industry also.

With the globalization all around, being a developing country India has basket of opportunities in various sectors to place the people with skill sets required. Thinking of the opportunities, placements, jobs are indeed very catchy & appealing word to make everyone smile like never before, but on the other hand there is cutthroat competition in every industry be it Banking, Retail, Automobile, Insurance, Engineering, even Agriculture globally. Such an environment requires dedicated, smart, well versed with technology.

Let us join hands together with the common goal to achieve i.e. make India IT Superpower.

I hope that you will join us and be a strong contributor in IT awareness program of ICST.

Yours

S. Dubey

Vision

- ■ To train and develop IT professionals with confidence, competence, commitment and character and to create Technical Manpower with capabilities of accepting new challenges

■ ■ Mission

To sincerely serve the cause of technical education and its need for the common man.

To strive for excellence in producing quality, employable technical workforce.

Social Obligation

- ■ We always keep the under privileged student on the priority list.

We always work on common goad that “Money doesn’t become a factor to learn”.

We make the SC/ST/Physically Challenged/Girl student feel free to learn at special discounted fee structure.

QUALITY POLICY

We, the ICST team endeavor to design and offer the best quality Computer training to the students as per their desired and well-ensured systems & procedure.

We ensure the students and their guardian that “Their Career Matters to us”. We strive, not only to meet their expectations but also to improve the level expectations.

We remain committed towards the prime focus of providing the quality education & training based on the ongoing current technology.

REGISTRATION PROCEDURE

Registration & Exam charges will be as per the ICST norms & conditions.

(A) - Submission of Application Form :

Duly filled application form & No Objection Certificate will have to be submitted by the student along with the self attested photocopy of the documents.

(B) - Enclosures with the Application Form :

- ≈ Three recent color passport size photograph. ≈ Self attested photocopy of the education qualification.
- ≈ Category Certificate (SC/ST/Handicapped/Girld/BPL) will have to be submitted to get the relaxation in the fee structure as per the ICST norms & conditions.

COURSE STRUCTURE

Considering the requirements of the students, Courses can be classified into (I) Short Term Course, (II) General Course, (III) Regular Course.

(I) - Short Term Course :

These courses has been specifically designed based on the topic/chapter to understand deeply. The Short Term Course is basically for the segment who is looking for a particular topic based on their need/demand.

(II) - General Course :

These courses has been specifically designed for the school going kids, who is about to be introduced to the Computer.

(III)- Regular Course :

To prepare a new breed of Computer Professionals “Institute of Computer Studies & Technology” has designed its Regular Courses. It includes both the courses i.e. Certificate Course & Diploma Course.

These courses have been designed to meet the requirements of IT industry wherein all the important chapters are taught to the student from Fundamental to Programming, Accountancy to Desk Top Publishing, Hardware Networking & Troubleshooting to Office Automation.

Student can get benefit from a well designed course curriculum that matches the current industry needs and emerges as a well equipped IT Professional.

ICST has presented these course at the nominal fee so that each & every section of the society can easily afford

EXAMINATIONS

The examination will be held four times a year by the ASC.

RESULT

Mark Sheet/Certificate will be dispatched within 15 days of receiving answer booklet of the student at the head office.

EVALUATION

The minimum qualifying marks for the examination are as follow -

Course	Exam Passing %
--------	----------------

Diploma Course	40%
----------------	-----

Certificate Course	40%
--------------------	-----

After qualifying all the exams, the students are awarded grades as per their percentage of marks obtained.

Percentage	Grade
------------	-------

$\geq 80\%$	A+
-------------	----

$\geq 70\%$ to $< 80\%$	A
-------------------------	---

$\geq 50\%$ to $< 70\%$	B
-------------------------	---

$\geq 40\%$ to $< 50\%$	C
-------------------------	---

$< 40\%$	F
----------	---

CERTIFICATE /DIPLOMA

Certificate/Diploma will be awarded by Institute of Computer Studies & Technology only after the successful completion of the course, which will assist you for employment.

RE-EXAMINATION

A student has to secure at least 40% marks in each subject to qualify the final exam. A student who doesn't clear all the modules in semester exam will be allowed to re-appear in the failed module in one sitting. However However the will be required to pay an amount of Rs. 150/- for each module.

- PGDCA**: Computer Teacher, Computer Operator, Junior Programmer, Hardware Professional, Customer Care Executive, DTP Operators in Press/Advertising Agencies/Govt. Departments, System Sales & System Executive, Accountant, Office Attendants.
- DWD** : Web Designing
- HDOA** : Higher Diploma in Office Automation
- DPL** : Diploma in Programming Languages
- HDPL** : Higher Diploma in Programming Languages

Course Details

Certificate in Computer Application (CCA)

Course Code - SIS01

Modules : Introduction to Computer, Microsoft Disk Operating System (MS-DOS), Microsoft Windows Introduction to Internet, Email & Multimedia.

Fee Structure :

Lumpsum Amount : **Contact the Center**

Installment Mode : **Contact the Center**

Duration : 3 Months

Note : Special Fee Discount for Girls/S.C/S.T/BPL & Handicapped

Diploma in Computer Application (DCA)

Course Code - SIS02

Modules : **Fundamental of Computer**

Microsoft Disk Operating System (MS-DOS), Internal Commands, External Commands Batch File.

MS Windows XP/2007/2008

Windows Concept, Features, Desktop, Start Menu, My Computer, Recycle Bin, Keyboard Shortcut, Windows Accessories : WordPad, Notepad, MS-Paint, Calculator, etc., Windows Explorer, Entertainment (Media Player), System Tools, OLE, Concepts of Networking.

MS Office

MS-Word : Concepts of Word Processing, Introduction of MS-Word, Features, Keyboard Shortcuts, Editing & Formatting documents, Table, Advance features of MS-Word, Mailmerge, Macro.

MS-Excel : Worksheet basics, Working with formulas and cell referencing, Autosum formatting to Worksheet, Previewing and printing Worksheet, Goal seek, Validation, Graphs and Charts, Functions, Macro, Sorting, Filtering.

MS-Powerpoint : Introduction, Use of Standard, formatting, Drawing toolbars, editing slides, changing templates, Slide Layouts, Inserting Clipart/Sound/Movie Clips in the Slide, Inserting Animation.

MS-Access : Introduction, Concepts of Database, Introduction of DBMS & RDBMS, Table, Shorting & Filtering, Relationship between Tables, Query, Form, Macro, Report, Database Security.

Introduction of HTML

Internet, Email & Multimedia

Project Work

Fee Structure :

Lumpsum Amount : **Contact the Center**

Installment Mode : **Contact the Center**

Duration : 6 Months

Note : Special Fee Discount for Girls/S.C/S.T/BPL & Handicapped

Course Details

Certificate in Financial Accounting (CFA)

Course Code - SIS07

Modules : Introduction to Computer, Concepts of Financial Accounting, Tally with Inventory, VAT, TDS, FBT, Service Tax, Payroll, Assignment & Project Works.

Fee Structure :

Lumpsum Amount : **Contact the Center**

Installment Mode : **Contact the Center**

Duration : 3 Months

Note : Special Fee Discount for Girls/S.C/S.T/BPL & Handicapped

Diploma in Financial Accounting (DFA)

Course Code - SIS06

Modules : DCA + CFA

Fee Structure :

Lumpsum Amount : **Contact the Center**

Installment Mode : **Contact the Center**

Duration : 9 Months

Note : Special Fee Discount for Girls/S.C/S.T/BPL & Handicapped

Diploma in Desktop Publishing (DDTP)

Course Code - SIS09

Modules : Introduction to Computer, MS - DOS, MS Windows, Photoshop, Page Maker, Corel Draw, Adobe Illustrator, HP Photo Album.

Fee Structure :

Lumpsum Amount : **Contact the Center**

Installment Mode : **Contact the Center**

Duration : 3 Months

Note : Special Fee Discount for Girls/S.C/S.T/BPL & Handicapped

Honors Diploma in Desktop Publishing (HDTP)

Course Code - SIS09

Modules : DCA + DDTP

Fee Structure :

Lumpsum Amount : **Contact the Center**

Installment Mode : **Contact the Center**

Duration : 9 Months

Note : Special Fee Discount for Girls/S.C/S.T/BPL & Handicapped

Course Details

Diploma in Hardware Technology (DHT)

Course Code - SIS19

Modules : Computer Fundamental, MS-DOS, MS Windows, PC Assembling, Hardware Troubleshooting Peripheral Devices Installation (Scanner, Printer, Digital Camera, Fax Machine T.V. Tuner), Operating System Installation, Application Software Installation, Device Driver Installation, CD Writing, Establishing Internet Connection (Wired/Wireless), Managing WiFi Connection, Antivirus Concepts, Detecting & Removing Virus from Computer, Updating Antivirus, Concepts of Networking (LAN/WAN/MAN), Project Work.

Fee Structure :

Lumpsum Amount : **Contact the Center**

Installment Mode : **Contact the Center**

Duration : 6 Months

Note : Special Fee Discount for Girls/S.C/S.T/BPL & Handicapped

Certificate in Computer Assembling & Trouble Shooting (CCATS)

Course Code - SIS20

Modules : Basic Concept of Hardware & Software, Concepts of Operating Systems, Parts of Computer and other Accessories, Assembling of Computer Components, Installation of Operating System & Other Useful Software, Internet Installation, Lan Installation, Jumper Setting, Booting Process.

Fee Structure :

Lumpsum Amount : **Contact the Center**

Installment Mode : **Contact the Center**

Duration : 3 Months

Note : Special Fee Discount for Girls/S.C/S.T/BPL & Handicapped

Diploma in Programming Language (DPL)

Course Code - SIS14

Modules : Programming Concepts, Algorithm & Flow Chart, Programming in C

Introduction, OOP Concepts

Basics (Keywords, Constants, Data Types etc.), Operators & Expressions, Control Statements, Arrays (One Dimensional Arrays & Two Dimensional Arrays), Functions (User defined functions & Library functions), Classes and Objects, Structures, Constructors & Destructors, Function and Operator Overloading, Inheritance, Pointers.

GUI Programming in Visual Basic

Introduction to Visual Basic, Working with Projects & Forms, Variables, Constants, Arrays, Control Flow statements and conditional statements, Menus (Designing & Programming), Active X Controls, Event driven Programming, MDI (Multiple Document Interface).

SQL (Structured Query Language)

Fee Structure :

Lumpsum Amount : **Contact the Center**

Installment Mode : **Contact the Center**

Duration : 6 Months

Note : Special Fee Discount for Girls/S.C/S.T/BPL & Handicapped

Course Details

Computer Teacher Training Course (CTTC)

OBJECTIVE : To produce a complete business professional and Computer teacher with integrated knowledge of Business Etiquettes, Computer Programming, Communication techniques, and teaching methodology.

DETAILED COURSE OF STUDY :

Modules - I Fundamental of Computer :

Introduction to Computer, Definition, Characteristics Limitation - Input Devices, CPU, Output Devices Memory Unit (Internal/External), Software & its types, Hardware and its installation.

Operating System :

Windows Concept, Features, Desktop, Start Menu, Recycle Bin, Keyboard Shortcuts, Windows Accessories, : Wordpad, Notepad and MS Paint, Windows Explorer Entertainment, System Tools.

MS Office :

MS - Word, MS - Excel. MS - PowerPoint, MS - Access

Internet :

Introduction, History of Internet, Types of Network (LAN/WAN/MAN, Wired, Wireless (WiFi/Wi Max), Browsing, Chatting, Email, Video Chatting, Search Engine, Social Media Integration (Facebook, Orkut, Twitter, LinkedIn, Hi5, etc.)

Modules - II DTP (Desktop Publishing) :

Photoshop, Page Maker, CorelDraw, Illustrator,

Modules - III Accounting Package :

Tally

Modules - IV Communication Technology :

Oral Communication (English & Hindi), Written Communication (English & Hindi), Direct Communication, Indirect Communication. Verbal & Non-Verbal Communication, Communication Etiquettes, DO's & DON'Ts of Communication. Presentation Methodology. Dressing Etiquettes. Email Etiquettes.

Two days in a week in the first semester.

Modules - V Concepts of Programming :

Programming in "C",

Modules - VI Teaching Methodology :

Evaluation : One Month Training - Computer Teacher

Assignments/Projects

Class Test

GD/Seminars Participation

Fee Structure :

Lumpsum Amount : **Contact the Center**

Installment Mode : **Contact the Center**

Duration : 12 Months

Note : Special Fee Discount for Girls/S.C/S.T/BPL & Handicapped

Rules and Regulations

The students are expected to maintain appropriate guidelines as follow:

- ≈ The management takes every major and minor steps for the better career of students for which full cooperation of the students are required.
- ≈ Any student when asked to meet the management with parents/guardian should follow the instructions strictly.
- ≈ Students are supposed to carry the identity card within the institute premise always.
- ≈ The students are supposed to attend all the theory & Lab classes regularly as absence in 5 consecutive classes without the prior notice to the center head shall be subjected to cancellation of the registration. In such cases student has to go to re-registration process by paying a fine of 300.00
